## ATHENA OKAS RESIDENTIAL FACILITY EXCLUSIVELY FOR WOMEN

Athena OKAS focuses on mental, physical, emotional and spiritual support for females recovering from mental health disorders. Our treatment facility for women allows only females into the program, which can be especially therapeutic to those who may be uncomfortable in a mixed gender residential setting. Women in such settings have better treatment results because of the support and connection made with other women in recovery.

- Personalized gender-specific treatment plans
- An environment that encourages recovery and true healing
- Long-lasting support system
- Ability to communicate more openly
- Better treatment response
- Sustainable recovery

## ATHENA@HOME PAN INDIA EXPERT MENTAL HEALTH CARE AT HOME

Athena@Home offers professional psychiatric health care, which was previously only available in a hospital setting, at your doorstep. In this service, members of a psychiatric care team visit the patient at their homes to offer treatment for the primary psychiatric diagnosis of the patient. The team of professionals may include psychiatrists, psychologists, psychiatric nurses, occupational therapists, therapists, counsellors, home health aids, social workers and others.

- Detox at home
- Psychiatrist home visit
- Home psychotherapy sessions
- Pick-up from home for violent & aggressive patients (un-managed patient)
- Home nursing care
- Occupational therapy for autism
- Sample collection
- Medicine delivery
