ATHENA@HOME

PAN INDIA EXPERT MENTAL
HEALTH CARE AT HOME

Athena@Home offers professional psychiatric health care, which was previously only available in a hospital setting, at your doorstep. In this service, members of a psychiatric care team visit the patient at their homes to offer treatment for the primary psychiatric diagnosis of the patient. The team of professionals may include psychiatrists, psychologists, psychiatrist nurses, occupational therapists, therapists, counsellors, home health aids, social workers and others.

- Detox at home
- Psychiatrist home visit
- Home psychotherapy sessions
- Pick-up from home for violent & aggressive (Un-managed patient)
- Home nursing care
- Occupational therapy for autism
- Sample collection
- Medicine delivery
